

## Guidelines for Artist Submissions

I know that to some of you this is confusing. Please seek help from friends, fellow artists, or your kids. I do NOT have time to guide you with this. Getting your information on the site is a huge job in itself.

**These need to be submitted VERY soon! Do not send this directly to me.** Send them to

**madeinclarkdale2012@gmail.com**

**File names** should include your name and brief description or title. Clicking on an image on the website will display the name you have given your image.

You may include any or all of the of the following:

1. Your media name/description.
2. Bio and/or Artist statement in one of the two formats: Word file or plain text file – **NO PDFs**.
3. Headshot or photo of you doing your art. High resolution is best. JPG format only and sent as an attachment (NOT within the text of the email).
4. Up to 6 images of your art. High resolution is best. JPG format only and sent as an attachment (NOT within the text of the email).
5. Personal Contact information.
6. Artist website page (URL).
